Before the jury came in, claims youns
Dr. Hisson, the plaintiff, his father, stated his willingness to arbitrate their case, both sides to agree to stand by the verdict. To this arrangement the son says he would not consent. However, it would not be surprising if a ever, it would not be surprising if a compromise of some sort were to be made before another trial of the case is ret in the circuit court.

It is said the lary stood six for the

It is said the jury stood six for the plaintiff and six for the defendant at the start of their deliberations. Another story is to the effect that at one stage eight were for the plaintiff and the fund being raised in this city for oming, and the twelve resolved themselves into a literary society for the

### THE BODY IDENTIFIED.

The Man Killed Yesterday Morning Was Will McGee, of Bellaire.

It developed yesterday that the rallroader cut in twain by a Baltimore & Ohio freight train, at the yards opposite the plant of the Wheeling Ice and Storage Company, early yesterday morning, was Will MaGee, of Bellaire, as stated in the Intelligencer. The remains were identified by Bellaire relatives, and after the inquest, which determined that the deceased's death was emoved to Bellaire. The deceased was ried. He was killed while making his way to Pittsburgh on a freight, he evidently having fallen off. The funeral

### THREE "BAD"

Resist Arrest Mear Bridgeport, and One Receives a Bullet

FROM CAPT. THOMPSON'S GUN.

When Taken to the Bridgeport Lockup an Investigation Mevealed Revolvers and Burglar's Tools-It is Thought They are Desperate Criminals Who Are Probably Wanted for Criminal Acts Else-

A lively "scrap" occurred at Wheeling Creek back of Bridgeport, yesterday afternoon, Marshal Thompson and Officer Douds went out to arrest three foreigners and they encountered some difficulty. The three were together and when they caught sight of the officers. they separated and ran in opposite directions, two staying together and taking to the fields, and the other to a use near by.

Marshal Thompson went after the latter and had almost caught him when he darted into the house. The marshal went to the rear of the building just as the offender was making a hasty exit. The offender seeing the predicament he was in attempted to pull his revolver, but the marshal was too fast for him and succeeded in planting a bullet in

two other men, and the three were taken to the city bastile. When they were safely located behind the bars a search of each was instituted, which revealed many unexpected things. On their persons were found revolvers. burgiar's tools, safe blowing, implements, etc. Their prest for crimes mitted in this vicinity may not end their trouble, as it is likely to be discovered they are wanted elsewhere on charges more serious, as the tools found in their possession indicate the trade 2 p. m., Sunday school; 7 p. m., preparations of their possession indicate the trade 2 p. m., Sunday school; 7 p. m., preparations of their possession indicate the trade 2 p. m., Sunday school; 7 p. m., preparations of their possession indicate the trade 2 p. m., Sunday school; 7 p. m., preparations of their possession indicate the trade 2 p. m., Sunday school; 7 p. m., preparations of their possession indicate the trade 2 p. m., Sunday school; 7 p. m., preparations of their possession indicate the trade 2 p. m., Sunday school; 7 p. m., preparations of their possession indicate the trade 2 p. m., Sunday school; 7 p. m., preparations of their possession indicate the trade 2 p. m., Sunday school; 7 p. m., preparations of their possession indicate the trade 2 p. m., preparations of the preparations of the preparation of the preparation

IN THE CHURCHES

Sunday services of the North Street M. E. church—Preaching at 10;50 a. m., by Rev. S. K. Arbuthnot, and at 7:30 p. m., by the pastor, C. B. Graham Evening subject, "A Present Salvation,"

Second English Evangelical Lutheran church, A. O. U. W. hall, Thirty-sixth and Jacob streets—Services Sunday morning at 19:30, and Sunday evening at 19:0; Sunday school at 2:30 p. m. Beginning with Monday evening, March 12, the congregation will conduct a series of mid-week services in the 0rst 16oor A. O. U. W. building. Services begin at 7:45 p. m., W. A. Hartman, pastor.

At the Fourth Street M. E. church, the pastor, Dr. J. L. Sooy, will preach at 10:30 a. m., on "God's Ceaseless Watchese," and at 7:30 p. m. on "A Bad Bargain." Sunday school at 2 p.

First Christian church, Rev. C. M. Niphant, pastor—Morning, "The Sur-rises of Religion"; ovening, "Games and Cambling," Young Feople's Society and Cambling. Young reolies occur, of Christian Englavor at \$120 p. m., led by Guy Pryor. with the topic, "Rejecting Christ." The protracted meeting at the Thirty-first street mission, under the auspices of the First church, is very interesting.

and succeeded in planting a bullet in the man's back almost before he knew what had happened. The shot did not floor him, however, and it required a 500 yard sprint before the marshal succeeded in catching him.

While this was going on, Officer Douds succeeded in running down the two other men, and the three were taken to the city bastile. When they

The Asetocam Trio and Johnson Swiss Bell Concert Company will give one of their famous entertainments in the First English Lutheran church, Mon-day, March 19. They have had romark-able success as entertainers in many cities. It will be something new for Wheeling.

Why?

DR. GREENE'S **Blood and Nerve Remedy** 

Is the Createst of All Spring Tonics and Restoratives. Maker of Blood, Nerve, Strength, and Energy.

Mother Earth cleaness and purifies herself and garbs herself anow in dainty freshness, and in rich, new life and beauty in the

Now Purify, Enrich, Rebuild.

You Need New Life in the Spring.

and farbs herself anew in dainty freshness, and in rich, new life and beauty in the spring.

Thus should man and woman be.

Thus will Dr. Greene's Nervura blood and nerve remedy make them.

If invigorates the nerves and purifies the blood – throws back the shoulders, gives new life and energies, and vitalizes and revivifies the health. It gives to woman vigorous and queenly bearing and to man that power and atrength which emanate only from sturdy health. It humanity in general would keep life health intact by the use of this precious discovery, the life of the race would be indefinitely prolonged.

Dr. Greene's Nervura cures nervous exhaustion, spring debility, dyspopaia, weakness, despondency, kidney and liver complaints, insommia, and all of the various illisarising from weak nerves and impure blood. It makes weak poople strong, and sick and run-down people well.

Mr. G. S. Cosa, 534 Smith St., Providence, R. I., says—

"You it was I had been transhed with indigestion, kidney -

Mrs. G. S. Conn., 334 Smith St., Providence, R. L., says. Mrs. G. S. Conn. 34 Smith St., Frovidence, E. I., Says :—
"For five years I had been troubled with indignation, hidney of and liver trouble, severs nervous headachee ded neuralgia. There was a terrible pain and pressure in my seemach. Local times for three weeks as a time to could take he mountainsent but line water and mik. I lest furly senting. In the case, I was completely prostrated. I toommenced using Dr. Greene's Nervira blood and vg ve remedy, and itse change which took place was wonderful. The terrible, racking palse through my head and shoulders left me. Where I solid, as member but the lightest kinds of food, I can now an anything without the slightest distress of any kind. The hidsey and liver trouble has left me, and, in fact, my friends are surprised at my wenderful cure."

Dr. Greene, 35 West 14th St., New York City, is the most specialist in curing nervous and chronic diseases. He has remedies for all forms of disease, and offers to give free consultation and astrice, personally or b ester. You can tell or write your troubles to D communications are confidential, and letters are answered in plain, scaled day

atory service: 7:30 p. m., public worship and administration of the Lord's Supper, conducted by Rev. A. Moore, D. D., presiding elder.

Revival services are being held at the United Presbyterian church, conducted by Rev. Dr. Martin, who preaches the Nomination. by Rev. Dr. Martin, who preaches the word with power. There have been a number of accessions to the church. At the sprvice this evening, Dr. Martin will speak on the subject, "The Lamb of God." Sabbath morning at 19:30, the theme will be, "Christ Crucifsed." The morning service will be followed by the sacrament of the Lord's Supper. Evening service at 7:30; subject, "What Think Ye of Christ?" The revival services will continue during the coming week. All are welcome.

PERSONAL NOTES.

Going and Coming of Wheeling People and Visitors.

T. R. McLean, of Mannington, is at the McLure. G. W. Sine, of Adonis, was an arrival in the city last night.

E. F. Lowery, a coal merchant of Jackson, was in the city yesterday. John F. Jacob, a Wellsburg hardware nerchant, was in the city yesterday. Col. W. H. Nave and wife, of Beth-iny, are in the city, registered at the Scientific research discovers that the life forces that make intelligent selection from food to build different paris of the body, when ready to build and rebuild the brain, selection from food to build different paris of the body, when ready to build and rebuild the brain, selection from food to build and rebuild the brain, selection from food the wheat and barley kernels, and setting this element into active vibration uses it to amalgamate with albumen.

This new combination is carried by That's the story and that is why Grape-Nuts food is made and made of the selected parts of wheat and barley and the brain is made, and which the brain is made, and which the brain is used.

Use of brain burns up and destroys small portions of it, which must be refused in the proposition of the whole and barley is the blood to all parts of the body and the selected parts of wheat and barley that furnish Phosphate of Potash. This the story and that is why Grape-Nuts food is made and made of the selected parts of wheat and barley which is furnished in certain portions of the wheat and barley and the principle of the blood to all parts of the body and is absorbed by all the nerve centers and the food brain to rebuild the delicate cells of the selected parts of wheat and barley that furnish Phosphate of Potash. This the story and that is why Grape-Nuts food brain to rebuild the delicate cells of the selected parts of wheat and barley that furnish Phosphate of Potash. This is the story and that is why Grape-Nuts food brain to rebuild the delicate cells of the selected parts of wheat and barley that furnish Phosphate of Potash. This is the story and that is why Grape-Nuts food brain to repull the delicate cells of the selected parts of wheat and barley that furnish Phosphate of Potash. This is the story and that is why Grape-Nuts food the selected parts of wheat and barley that furnish Phosphate of Potash. The selected parts of the selected part
